A lot of the original data did not include first names nor the home clubs of competitors. This has been sourced via newsletters and the knowledge of certain individuals.

Incomplete data is highlighted in yellow. If you can supply this, please email Les Kemp at [leskemp@bigpond.net.au](mailto:leskemp@bigpond.net.au) and it will be included.

For ease of reading the file and document security, it has been converted into a .PDF format

To permit sorting of names in the Excel data sheets they are in [Family name, Given name] format.
