125 Queensland Championships 2012

Over the Easter long weekend the 2012 Queensland 125 Championships were held at Maryborough Sailing Club in Hervey Bay. This year we had fifteen boats entered, including four in B Fleet. A 125 from Lake Samsonvale Sailing Club also made the trip up to Hervey Bay and joined us for the first two days of the regatta. They were able to enjoy some great weather and fantastic competition before they returned to Brisbane.

3165 'Rush Forth' & 3045 'Tic Tac' racing at the State Championships (photo: Jenny Hawgood)

three young girls who sailed 3-up in a 125 in their first regatta, one of them has written about the experience:

Lourdes Hill College Sailing Club brought four 125's to the event, which was a great turnout from the Brisbane-based Girls school. Two of the boats competed in B Fleet, as well as three girls in a Pacer who joined in with the 125's. It was great to see the girls out on the water having a fabulous time and learning a lot – the girls in the Pacer managed to get their spinnaker up during the regatta which was a great achievement! There were also

Hervey Bay

I was lucky enough to go to Hervey Bay, the state championships, in a 125. It was my first sailing regatta and the experience was amazing. Our crew of 3 learnt so much and improved greatly over the 5 races. This regatta was very different compared to our weekly races along the Brisbane River. The wind was much bigger and it was harder to control our boats. We got to try different tactic moves and improved so much over the days.

The regatta was physical and tactical and it taught me more than a book could; it was all in the experience and knowledge of fellow sailors. The sailing community was very encouraging throughout the process and I thank you all for making this one unforgettable long weekend. We worked so hard and achieved the 2nd place overall handicap in Division B. To the 125 Association and the Maryborough

Yacht Club, what a great Easter weekend and I am sure I speak for all Lourdes Hill College Sailors, what a fantastic regatta.

Madison (Madi) Ralph – Lourdes Hill College Sailing Club

It was a light series, but this provided some close racing and gave many of the less-experienced crews a chance because the conditions were manageable for all competitors.

The first race of the Championship was the Jan Seto Memorial Race on the Friday. This was won by Lachie & Tim Robba in 3167 'Shake n Bake'. Jan Seto was heavily involved in the 125 class, both as a sailor and a supporter. She taught many Lourdes Hill girls how to sail and was involved with Lourdes Hill College Sailing Club for many years. Jan was also an integral part of the Queensland 125 Association, offering her services to assist with the organisation of events, the promotion of the class and was the editor of this newsletter for many years. We race in her memory on Easter Friday every year.

Some stiff competition was had in B Fleet, and Dean Steinback & Maddi Norton managed to take out a win on Scratch in 3142 'Limited Edition'. B Fleet Handicap was taken out by Lourdes Hill boat '2039' Saluki. A Fleet on Scratch was taken out by Lachie & Tim Robba in their family 125 3167 'Shake n Bake' – some close racing was had with Doug Brewer & John Anderson in 3125 'J'.

Lily Geck & her crew Xanthe Walker did extremely well in their first 125 State Championships, sailing 3161 'Imagine'. After some close competitive sailing, these two girls went on to win the double – 1st on Handicap (A Fleet) and the Junior trophy. They also finished 3rd overall on Scratch! Great sailing girls!

Just prior to the regatta, 3122 'Swish' was purchased by Simon Carter for his daughter Nicole to sail. Nicole has recently come out of Sabots and has only sailed 125's a handful of times. It was great to see 'Swish' on the water at the State Championships with Nicole competently at the helm and Simon crewing for her! Nicole is already showing a great deal of potential in 125's and will be someone to watch in the future. Nicole & Simon finished 7th overall (A Fleet) and 2nd on Handicap in their first 125 regatta! Very well sailed!

Please see full results from the Championships at the end of this newsletter.

Club Happenings

The new sailing season is due to kick off in September (please check the calendars of BSS & DPSS for dates). 125's are always welcome at both Brisbane Sailing Squadron and Darling Point Sailing Squadron – they sail on different days so you can always go to both if you are really keen. They are both family-oriented clubs with affordable membership fees, and the racing is as serious as you want to make it – if you just want to get out on the water and practice your boat-handling skills then it's a great opportunity.

If anyone requires information about the boats or wishes to go for a sail in a 125 please contact Queensland 125 Association President Grant Steinback (practical_magician@hotmail.com) – if you are new to the class and are unsure about rigging and sailing your boat please don't hesitate to contact Grant, who will do his best to assist you with getting your boat on the water. I hope to see you all at BSS or DPSS this season!

National Championships

The 2012-2013 National Championships will be held at South Lake Macquarie Amateur Sailing Club - Sunshine, Lake Macquarie NSW on 27th December to 5th January. Please visit <http://www.125assoc.com> for further information including the Notice of Race. This should be a great series as Lake Macquarie is a fantastic place to sail, and with the majority of people staying close to the club it is always an extremely social regatta. Hopefully Queensland will be able to send a few boats down for the event.

<http://slmasc.org/> - South Lake Macquarie Amateur Sailing Club

Queensland is hosting the 2013-2014 Nationals over the December-January period. It is tentatively booked to be held at Darling Point Sailing Squadron, Manly, Brisbane. This should be a great event and we are hoping to see as many boats on the water as possible. The Queensland 125 Association will keep you posted regarding Nationals organisation meetings closer to the time and would appreciate your input & assistance with the organisation of this event.

The Association holds meetings on the first Tuesday of each month at Brisbane Sailing Squadron commencing at 7.30pm – please check your email for information about these meetings. Everyone is welcome to attend.

Keep an eye out for the next edition of the Queensland 125er which is due to be released during the first half of the sailing season.
